

Biosorb Liquid

Product Name: Johnny's Choice Biosorb

Product Description: Biosorb is a concentrated formula liquid deodorizer for portable toilets. It is based on natural bacterial & enzyme technology. It has the ability to control uncomfortable foul odours in portable toilets in all seasons, especially in hot & humid summer months. It contains a non-staining royal blue colour to hide toilet waste and has appealing fruity perfumes. **Biosorb** liquid also helps breaking down toilet paper and waste which helps pump out.

Toxicity of Material: Contents are eye & skin irritating and can cause harm if taken internally. The contents are expected to biodegrade. However, the product may be harmful to marine life if released in natural waters. Contents are unlikely to corrode any plastic surfaces.

Product Appearance: Blue thick liquid

Perfume: Cherry, Bubble Gum, Mulberry.

Packaging: 22.7L (6 gal.), 208L (55 gal.), 1040L (275 gal.).

Safety guidelines: Please read safety data sheet (SDS) before use. Follow all safety precautions.

Transportation: Biosorb can be shipped in all modes of transportation.

Waste Disposal: Waste disposal should meet all prevailing regulations.

Johnny's Choice Biosorb

1. Use 1-2oz (30-60ml) directly in to the toilet, or alternately, pour the contents of 2-3, 22.7 Litre (6 gal.) pails in an empty 208L (55 gal.) drum and fill the rest with water.
2. Stir thoroughly. This is now a Ready to Use (RTU) liquid. Use 4-8oz (120-240ml) per toilet per week. Hot & humid conditions may require more product.
3. Dump waste only at a designated site as per local laws.

Johnny's Choice Biosorb:

Available in Cherry, Bubble Gum, and Mulberry.
