

Punch NF

Product Name: Johnny's Choice Punch NF

Product Description: Punch NF is a concentrated & complete formula liquid deodorizer for portable toilets. It has the ability to control uncomfortable foul odours in portable toilets in extreme hot & humid conditions. It has non-staining royal blue colour to hide the toilet waste and has appealing fruity perfumes. Punch NF is an organic formulated concentrated liquid that contains no formaldehyde.

Toxicity of Material: Contents are eye & skin irritating and can cause harm if taken internally. The contents are expected to biodegrade. However, the product may be harmful to marine life if released in natural waters. Contents are unlikely to corrode any plastic surfaces.

Product Appearance: Blue thick liquid.

Perfume: Cherry, Bubble Gum, Mulberry.

Packaging: 22.7L (6 gal.), 208L (55 gal.), 1040L (275 gal.).

Safety guidelines: Please read safety data sheet (SDS) before use. Follow all safety precautions.

Transportation: Punch NF can be shipped in all modes of transportation.

Waste Disposal: Waste disposal should meet all prevailing regulations.

Johnny's Choice Punch NF

1. Use 1-2oz directly in to the toilet, or alternately, pour the contents of two to three, 22.7 Litre (6 gal.) pails in an empty 208L (55 gal.) Drum and fill the rest with water.
1. Stir thoroughly. This is now a Ready to Use (RTU) liquid. Use 4-8oz (120-240ml) per toilet per week. Hot & humid conditions may require more product.
2. Dump waste only at a designated site as per local laws.

Johnny's Choice Punch NF:

Available in Cherry, Bubble Gum, and Mulberry scents.
